

I'm a rich and famous doctor  
I always knew I'd be  
An expert in the field of  
Gynecology

Next on my agenda:  
Checking your pudenda  
Let me see what I can find  
If you get your nerve up  
Slip inside the stirrups  
Single thought will cross my mind:

I love putting women's minds at rest  
I love pushing myself to be the best  
Dr. Stephen's in

I've got magic fingers  
The doctor of the year  
There's not a lip that I can't read  
A pap that I can't smear

When your legs are open  
I begin the gropin'  
But I fear I must be blunt  
I would just as soon not  
Go near your balloon knot  
Think that I'll stick to your... front
