Funny Feeling

Steve Hackett

Hey it's no surprise you are going tonight Well alright, had a funny feeling I don't want to go on wasting your time Well alright, had a funny feeling That came the whole morning through It's not hard to do I'm just not getting through

Don't live a lie I'd rather say goodbye Please don't explain No use pretending it's the same

You don't have to tell me I've known it all day Well alright, had a funny feeling I don't see a happy ending coming our way Well alright, had a funny feeling That came the whole morning through It's not hard to do I'm just not getting through

Don't live a lie I'd rather say goodbye Please don't explain No use pretending it's the same

Really it's no surprise you are going tonight Well alright, had a funny feeling I don't want to go on wasting your time Well alright, had a funny feeling That came the whole morning through It's not hard to do I'm just not getting through

Don't live a lie I'd rather say goodbye Please don't explain No use pretending it's the same
