Double Trouble

Steve Winwood

R: Lay awake at night, Oh so low, just so troubled. Can't get a job, Laid off and I'm having double trouble.

Hey hey, to make you've got to try. Baby, that's no lie. Some of this generation is millionaires; I can't even keep decent clothes to wear.

Laugh at me walking, And I have no place to go. Bad luck and trouble has taken me; I have no money to show.
