

# Busy Man

Steven Curtis Chapman

I know a man named Billy  
He's got almost everything  
Three stories, two cars, one swimming pool  
And some broken parts of an empty heart  
And I'm thinkin'...

Billy, Billy, Billy, you're a very busy man  
But you're running with your eyes closed  
You could be missing life all along the way  
And you'd never even know it  
You're a busy man Billy, Billy, you're a busy man  
Just too busy man

You've got a lot of nice things there Billy  
But they've cost you more than you know  
'Cause what is it really worth can you tell me  
If you're gaining the world but you're losing your soul  
And I'm thinkin'...

Billy, Billy, Billy, you're a very busy man  
But you're running with your eyes closed  
Looks like you traded life for the things you have  
Not the thing you really wanted  
You're a busy man Billy, Billy, you're a busy man

So when the day is over  
And the lights go out  
Do you ever stop and wonder  
Wonder what it's all about  
Wonder what it's all about  
Wonder what it's all about  
Hey Billy do you ever wonder  
What it's all about?

Slow down busy man take a look around you  
When it's all said and done tell me what's it gonna come to
