

# Flying

Stevie Brock

[Chorus]

Flyin' high flyin' fee  
We're kids and that's the way that we  
Want it  
Here we go 1-2-3  
You see that there's no one that can  
Stop us  
Flyin'

Takin' off, we're gonna reach the sky  
Get ready 'cause there's nothing that  
We can't do  
We are the voice of  
The nation  
You can do anything  
You believe in  
Your dreams belong to you  
Come on

[Chorus]

Flyin' high flyin' fee  
We're kids and that's the way that we  
Want it  
Here we go 1-2-3  
You see that there's no one that can  
Stop us  
Flyin'

Headin' out, the crew is ready to fly  
Get ready  
Nobody's gonna stand in  
Our way  
We are the voice of  
The nation
