

# You're The Inspiration

Stevie Brock

You know our love was meant to be  
The kind of love that lasts forever  
And I want you here with me  
From tonight until the end of time  
You should know everywhere I go  
You're always on my mind  
In my heart  
In my soul baby

[CHORUS]

You're the meaning in my life  
You're the inspiration  
You bring feeling to my life  
You're the inspiration

I wanna have you near me  
I wanna have you hear me saying  
No one needs you more than i need you

And I know  
Yes I know  
That's it's plain to see  
So in love when were together  
Now I know  
That I need you here with me  
From tonight until the end of time  
You should know everywhere I go  
You're always on my mind in my heart in my soul

[CHORUS]

I want to have you near me  
I want to have you hear me saying  
No one needs you more then I need you  
Whoa oh oh oh

I want to have you near me  
I want to have you near me saying  
No one needs you more then I need you

[CHORUS]

When you love somebody till the end of time  
When you love somebody always on my mind  
No one needs you needs you more than I  
When you love somebody till the end of time  
When you love somebody always on my mind
