Empty Sky

Stiff Little Fingers

I talk to God sometimes, but nobody's listening I talk to God sometimes, but nobody's there What's done is done, no salvation for me I talk to God sometime but nobody's there you see it's an

Empty sky, empty sky with dying stars & satellites

In the end i know there's nothin' else In the end I know I'm talking to myself What's done is done I will not be deceived What's done is done & I know all that I can see is an

Empty sky, empty sky with dying stars & satellites

I talk to God sometimes but God knows why I talk to God sometimes but i get no reply I will not die it's the world that will end & once I'm gone I w ill not be back again

Empty sky, empty sky with dying stars & satellites
