Stone Sour

I don't know how else to put this  
It's taken me so long to do this  
I'm falling asleep and I can't see straight  
My muscles feel like a melee  
My body's curled in a U-shape  
I put on my best but I'm still afraid

Propped up by lies and promises  
Saving my place as life forgets  
Maybe its time I saw the world

I'm only here for a while  
But patience is not my style  
And I'm so tired that I gotta go

Where am I supposed to hide now?  
What am I suppose to do?  
Did you really think I wouldn't see this through

Tell me I should stick around for you  
Tell me I could have it all  
I'm still too tired to care and I gotta go

I get to go home in one week  
But I leaving home in three weeks  
They throw me a bone just to pick me dry

I'm following suit and directions  
I crawl up inside for protection  
I'm told what to do and I don't know why

I'm over existing in limbo  
I'm over the myths and placebos  
I don't really mind if I just fade away

I'm ready to live with my family  
I'm ready to die in obscurity  
Cause I'm so tired that I gotta go

Where am I supposed to hide now?  
What am I suppose to do?  
You still don't think I'm going see this through

Tell me I'm a part of history  
Tell me I can have it all  
I'm still to tired to care and I gotta go

Oh yeah  
Oh yeah yeah yeah yeah.

Still too tired to care and I gotta go  
Still too tired to care and I gotta go  
Still too tired to care and I gotta go

Yeah, yeah

Still to tired to care and I gotta go

Go home

Still to tired to care and I gotta go

Yeah yeah

Still to tired to care and I gotta go
