Find Your Own Voice

Stratovarius

No Christ, God nor religion Gave me the answers I was looking for Arrogant hypocrites Selling the key to Heaven's door

I've got my own way
I don't care what you say
You speak your truth
And I speak mine

Find your own voice Unleash the power within Go find your own truth And let others be

Let your own light guide Your way through life Find your own way Make your own paradise

Find your own voice It's your own choice

Find your own voice
Unleash the power within
Go find your own truth
And let others be

Let your own light guide Your way through life Find your own way Make your own paradise

Find your own voice It's your own choice Find your own voice It's your own choice
