

# Killer

Suede

she is a natural killer  
she has a strange disguise  
and she is cold as vanilla  
she has that look in her eyes

she, she hasn't any feelings  
and she got nothing on her mind  
she is a natural killer  
she is the thorn in your side

she is a natural killer  
she has a strange disguise  
she as sweet as vanilla  
she has that look in her eyes

and she, she hasn't any feeling  
and she got nothing on her mind  
she is a natural killer  
she is the thorn in your side

she, she hasn't any feeling  
she got nothing on her mind  
she is a natural killer  
she is the thorn in your side

thorn in your side  
thorn in your side  
thorn in your side
