Love To Be Loved By You

Super Junior

I can't believe I'm standing here Been waiting for so many years and Today I found the Queen to rein my heart

You changed my live so patiently And turned it into something good and real I feel just like I felt in all my dreams There are questions hard to answer Can't you see?

Baby, tell me how can I tell you That I love you more than life

Show me how I can show you That I'm blinded by your light

When you touch me I can touch you To find out the dream is true I love to be loved by you

You're looking kind of scared right now You're waiting for the wedding vows

But I don't know if my tongue's able to talk

Your beauty is just blinding me Like sunbeams on a summer stream and

I gotta close my eyes to protect me

Can you take my hand and lead me From here please

Yeah, yeah

Baby, tell me how can I tell you That I love you more than life Show me how can I show you That I'm blinded by your light When you touch me I can touch you To find out the dream is true I love to be loved, I need to be loved I love to be loved by you I know they gonna say our love's not Strong enough to last forever And I know they gonna say that we'll give

Up because of heavy weather But how can they understand That our love is just heaven sent We keep on going on and on 'Cause this is where we both belong Oh, baby, you Tell me how can I tell you That I love you more than life Show me how can I show you That I'm blinded by your light When you touch me I can touch you To find out the dream is true I always loved you more than life Show me how, yeah, yeah, yeah Baby, when you touch me, don't you know? I love to be loved I need, yes, I need to be loved I love to be loved by you

Yes, I love to be loved by you
