## **Make Me Smile**

Suzi Quatro

Ooh la la ooh la la You've done it all You've broken every code And pulled a rebel to the floor You've scored again No matter what you say Eroded metal - what a bore Oh blue eyes blue eyes How come you tell so many lies Oh oh come up and see me Make me smile I'll do what you want Run on wild There's nothing left I've gone and run away Maybe you'll tarry for a while It's just a test A game for us to play Win or lose it's hard to smile Resist resist It's from yourself you have to hide Oh oh come up and see me Make me smile I'll do what you want Run on wild There ain't no more You've taken everything From my belief in motherhood Can you ignore my faith in everything 'Cos I know what faith is And what it's worth Oh away away And don't say baby you tried Come up and see me Make me Smile Do what you want Run on wild Oooh ohh la la ooh ooh la la Come up and see me Make me smile I'll do what you want Run on wild Ooh ooh la la ooh ooh la la ooh
