

Skin Tight Skin

Suzi Quatro

Skin tight skin, hair dyed and walks like a rainbow
Where she goes the Joe knows her middle name
High heels, click, clack
Hey are you walkin' or stalkin?

Skin tight skin, hair dyed and walks like a rainbow
Where she goes the Joe knows her middle name
High heels, click, clack
Hey are you walkin' or stalkin?

Because people are talkin'
Don't you believe it
Don't you believe it ah
Lipstick skin per plastic made-to-measure warm
Chip shop, milk bar pickup number one off the wall
High-time, play-time, even daytime, find time to sleep some

Skin tight skin, hair dyed and walks like a rainbow
Where she goes the Joe knows her middle name
High heels, click, clack
Hey are you walkin' or stalkin?
