

Fear of Flying

Suzy Bogguss

Tell your heart to lighten up
Don't say no to falling in love.
Love once had you flying high.
But you got shot right out of the sky.

Now you're running scared.
But you could walk on air.
I ain't lying.

Tell your heart to let me in.
I'll take you places that you've never been.
Once we get to old cloud nine
Seventh heaven is just down line.
Baby take my luck
Time for you to rise above the fear of flying

Tell your heart to lose control
The further you fall; the higher you'll go
Gravity you feel can be defied
If you just overcome your fear of flying
Fear of flying.

Tell your heart just one thing more.
I'll give you wings like never before.
I'll be an angel in your eyes.
You'll be my daredevil darling of the skies.
Baby come with me.
You'll be safe as you can be.
I ain't lying

Tell your heart to lose control
The further you fall; the higher you'll go
Gravity you feel can be defied
If you just overcome your fear of flying
Fear of flying.

Drop your fear of flying
I won't leave you crying, "help, my fear of flying"
It's just love, I ain't lying
Drop your fear of flying
