

Somewhere Between

Suzy Bogguss

Somewhere between your heart and mine
theres a window that I can't see through
Theres a wall so high it reaches the sky
Somewhere between me and you

I love you so much I can't let you go
And sometimes I believe you love me
But somewhere between your heart and mine
Theres a door without any key

Somewhere between your heart and mine
theres a window that I can't see through
Theres a wall so high it reaches the sky
Somewhere between me and you

Somewhere between your heart and mine
Theres a love I can't understand
Its there for awhile then it fads like a smile
And I'm left in the middle again

Somewhere between your heart and mine
theres a window that I can't see through
Theres a wall so high it reaches the sky
Somewhere between me and you
