

# **Into The Sky**

**Switchblade Symphony**

The pushers  
The fakers  
The shakers  
The feelers  
The loudness  
The silence  
The feelers  
The fakers  
My wings will pull me  
Up into the sky

The feelings that I have  
They haunt me till I'm mad  
The villains  
The heroes  
Decisions  
The daring  
Up into the sky  
My wings will pull me
