

Sleep

Switchblade Symphony

I don't feel good
I don't sound good
I don't look good
I wish I was right

I don't feel good
I don't sound good
I don't look good
I wish I was right

I watch you sleep
Away the time
I watch you sleep
Sleep tight

Am I a little liar
Hiding below your bed
Am I a little liar
Wish I was right

Am I a little liar
Laying below your bed

Am I a little liar
Wish I was right

I watch you sleep
Away the time
I watch you sleep
Sleep tight

I watch you sleep
Away the time
I watch you sleep
Sleep tight

Look at my bricks,
My bricks I am laying
Look at my bricks,
My bricks I am laying
Down, down, down,
You'll fall
Down, down, down,
You'll fall
Down, down, down,...
