Witches

Switchblade Symphony

Witches They ride on broomsticks Ya know Angels use wings To catch the wind's blow And they're moving as far as they can And as fast as they can

Skeleton's white They glow in the night Goblins entrance With their wicked dance And they're moving as far as they can And as fast as they can

Your dreams are filled With blood and gore Now they're right outside your door They're gonna get you

A spider's love bite May find you tonight Monsters they eat Your kind of meat And they're moving as far as they can And as fast as they can

Now it's getting hot, hot Now it's getting hot, hot Run for water Now it's getting too hot

Nee, nee, nee, nee, nee, ha ha ha...
