

## Dawn Storm

T. Rex

Dawn storm, o my dawn storm  
I realise you're blue  
Please babe, o don't squeeze babe  
All that I say must be true

Baby I'm not crazy  
A rush ain't no crush it's a trip  
But learning on a journey  
Ain't no month on the sunset strip

Times they are strange and I won't  
Rearrange  
No no no, not my love for you  
Times they are strange and I won't  
Rearrange  
No no no, not my love for you
