

Life Is Strange

T. Rex

Strange, life is strange, life is strange,
Oh life is strange.

O god, life is strange,
People come and people go,
Some move fast and some move slow,
No, no, no, no, no.

O god, life is good,
Some are fat and some are thin,
Some don't even ask you how you've been,
No, no, no, no, no.

Strange, life is strange, life is strange.
Oh life is strange.

O god, life is strange,
Some are fast and some are slow,
Some believe, me don't even know,
No, no, no, no, no.

Strange life is strange, life is strange.
Oh my life is strange.
