

# The Soul of My Suit

**T. Rex**

Well you damaged the soul of my suit  
You pulled my love out by the roots  
But I'm not such a bad boy - oh no

You ravished the runes of my tunes  
You put on the gloves of my loves  
But you're not such a bad girl - oh no

Rock and rolled it even strolled it, baby  
Rock and rolled it, yeah  
Rock and rolled it even strolled it, baby  
Rock and rolled it, yeah

I love you, yeah
