

Can't Nobody

Tamar Braxton

Hey baby
I've been waiting for you all day, heh
You're the only that can love me right
Heh, I don't know what else to say, heh whoo!

Can't nobody baby
Can't nobody love me like my baby
Without you here with me I'll go crazy
That's why you're all I think about
Baby, baby can't nobody
Can't nobody baby
Can't nobody love me like my baby
Without you here with me I'll go crazy
That's why you're all I think about
Baby, baby

Every day and every night
Someone is trying to take you out my life
They don't wanna see you, you and me
But they don't know that just brings you closer to me
Cause...

Baby you will always be
The only man, the only one I'll ever need
They can try to make you leave
They can try to get to me

But I'll always feel you
Cause I'll always love you, oh

Can't nobody baby
Can't nobody love me like my baby
Without you here with me I'll go crazy
That's why you're all I think about
Baby, baby can't nobody
Can't nobody baby
Can't nobody love me like my baby
Without you here with me I'll go crazy
That's why you're all I think about
Baby, baby

Hold me tight, don't let me go
I wanna show the world that our love is so
Boy you know that I'll always stay
Till the end of time you're the only one for me
Cause...

Baby you will always be
The only man, the only one I'll ever need
They can try to make you leave
They can try to get to me

But I'll always feel you
Cause I'll always love you, oh

(2x):
Can't nobody baby

Can't nobody love me like my baby
Without you here with me I'll go crazy
That's why you're all I think about
Baby, baby can't nobody
Can't nobody baby
Can't nobody love me like my baby
Without you here with me I'll go crazy
That's why you're all I think about
Baby, baby

Baby you know I wanna be with so
There ain't no one in this world who could love me
Baby you know I wanna be with so
There ain't no one in this world who could love me
Baby you know I wanna be with so
There ain't no one in this world who could love me
Baby you know I wanna be with so
There ain't no one in this world who could love me

Can't nobody baby
Can't nobody love me like my baby
Without you here with me I'll go crazy
That's why you're all I think about
Baby, baby can't nobody
Can't nobody baby
Can't nobody love me like my baby
Without you here with me I'll go crazy
That's why you're all I think about
Baby, baby
...
