

# My Body

Tank

Oh, all night I been puttin' alcohol in your body  
(Oh, oh, oh)  
Oh, it's alright 'cause I know how to handle your body  
(Oh, oh, oh, oh)  
Girl, I'm ready when you're ready  
To take your body on a ride tonight  
I'm gon' sit back, you just run the show  
'Cause, girl, I'm lettin' you know...

My body is now your body  
Come and get it, and do with it whatever you like  
(My body)  
My body is now your body  
It's incredible, and it's available  
And this body say  
Come take it  
Everybody be butt-naked  
Doin' that up and down, ridin' me out of town  
'Cause my body's now your body now  
Get what you need  
Come make my body your body

Oh, all night I been sittin' here, touchin' on your body  
(Oh, oh, oh, oh)  
Woo, I can't wait to feel it when it comes out your body  
(Whoa, oh, oh)  
Girl, I'm ready (I'm so ready) when you're ready  
To take your body on a ride tonight  
I'm gon' sit back (I'm gon' sit back), you just run the show

Body's expecting it

About to get  
(Body)  
Hopin' that you're open for an all-night here  
'Cause that's what your body's for  
(That's what your body's for)  
Oh, oh, it needs to feel, touchin' and tuggin' on  
Kissin' and rubbin' till I'm blown

(I can't take no more)  
I can't take no more  
It's in your hands, baby; take control

My body is now your body  
Come and get it  
(Get it)  
And do with it whatever you like  
(And do whatever you like)
