

Give It Up

Tech N9ne

For real MC's only nigga
Everybody on this motherfucking flow
Is real shit right here
Lebowski hit em'!

So jittery, they think I'm back on it
So shivery, they be like dan-gonit
So quivery, they freeze at that moment
No liberty for lil' bitty pretenders that want it
Guess what!

Give it up cause' I never let you down
You see maggot money, honeys everything I wanna really
feel like wanna dude see cleavage
Funny, dummy if you never heard of me tecca n9na's a
beauty peep it a lot of groupies need it
If you are chum if you don't like it then give it the
backwards say you gotta leave it
So juicy when I beat it feed it mu-le and I eat it like
sushi better heat it steam it
Makin' em crazy crazy never much to sway these ladies
If you talkin' bout me to a bitch and she don't suck a
dick she gon say she pay me
Wundershon tech is second to none and that it quit bums
your cum but you niggas under crums dustbags
And you trippin' cause you know deep inside your
fluffed ex fuck tech paid lebowski
Then wanted permission to suck ces better give it I'm
check it I'm bout' to rip it if tech impeccable
Never no better flow when I flip it cut everybody so
nigga what evolution is big enough
To get you hickin' up when you're bitching be licking
digging nuts death is gonna be the only way
You're cold so sorry I had to give away your soul tecca
n9na never ever give it up
For the crown better tryin' later hoe

Give it up cause' I never let you down
