Welcome to the place to be The middle of all controversy West end of the Mississippi Wel-come to the mid-west Pistol packin' and money mackin' Rappin' up out the city where killaz keep it crackin' Too dark and gritty, back in the dizzy Jackin' was happenin' Gafflin' many cacklin' Now we packagin' crack and the addicts will POP Kansas City, Missouri To the fury of the inner city Poverty stricken, novelty spittin' Follow me quick into the bottom We gotta be thizzin' No frickin apology given You trippin', we lick a SHOT Get ready to brawl, hometown Breakin' a jawbone clown You and a criminal killa Be ready to get up and fall on down Look at the darkside Fulla the gangbangin' Hookers wit' choppas And the coppaz they keep them thangs rangin' You ain't gotta be killa gangsta to know That you can die tryna hide side thangs for the dough After the club, get to skippin' cause they trippin' off in the MO It doesn't really matter where you go Where you've been Beautiful foreign lands you've been in Gun play reigns Summer and shine Stay inside you should be fine I'll show you, follow me Wel-come to the mid-west It's a city where anybody can cause you bodily harm When you walk in my city hardly armed Hardly safe to show your face Apes will erase you and let the blades graze you for the paper Nowhere to hide on either side of the water For gucci and prada Krizz and the millimeter will follow ya Holler and scream, it won't get you a thing So get you a thing, load it up wit' hollow ones Slide 'em up like a halogen Look at the crime rate No wonder why I hate Niggas keep it peepin' I'm seekin' for when you leavin' I'm keepin' my thang

And take 'em away if it ain't in the day

The Mid (west) is more than just a little chaotic

Hurry get ya people up outta the K

And if we ain't got it we plottin' 'em to rob 'em for they checks That be the nature of the beast, to keep the peace I keep my piece when you in the midwest

Hands up, if you wit' it stand up

If ya get it Midwest, we admit it we the shizer

Stand tough, we can get it manned up

When you visit, big stress hella when you recognize us

Hands up, it you wit' it stand up

If ya get it Midwest, we admit it we the shizer

Stand tough, we can get it manned up

When you visit (wel-come to the mid-west)

If you trippin' we givin' you a lobotomy Cannibal, you Hannibal can't amount to my psychology

And poppin' me better be the way you thinkin' of stoppin' me Get on top of me quick forramic what I got on me click

Money, the mackin' and murder is all that we know Whether sunny or black in the dirt I'mma gather my dough

If you hustlin' maybe the place you can get it for low Get your package and get the pack
And golly get it and go

Never walk in my city when alone better draw down

Keep them babies out the way Catch a stray in the K-Town

Boss in my city Never crawl, never fall down

Me and Millimeter spray in your way and you better lay down

Gangstas, mobstas, everybody know

Cause in a town ya wanna clown around at the show

Packin' millis cause everybody silly So get ready to hit the flo'

I'll show you follow me.....
Wel-come to the mid-west!
