Party On Dudes (get Hype)

Test Icicles

I can feel it when I'm walking down the street the kids are crazy but they know where to be Well I forgot that you just gotta (catch it) when we break it down its just like magic

get ready for the fight
showing you the way
I wonder what its like
do I need to say to you
to get this party started

listen

my eyes can't believe this mess get in line dont try to test I got the dream that'll make you bounce back feel the beat feel the flow it's time to go

get ready for the fight
showing you the way
I wonder what its like
do I need to say(to you)
to get this party started

we'll make that shittin' (scream)

I know that sometimes you just need to get away well thats cool with me whatever happens I just need to know that we can get this party started

today yeah
