

# Heads.Cars.Bending

The 1975

Keep your voice down  
Stop looking at my friends  
Go out  
They can hear exactly what you say

Drink,fall, spew  
Telephone you  
If you're alone in your room, what's that boy doing?

Head, cars, bending  
Head, cars, bending

Can we go now?  
Not staying 'til the end  
Fall down;  
Write another song about your friends

Lock me in, knock me out, talking like you do  
And if you think you're helping me  
Don't think I'm helping you

Drink, fall, spew  
Telephone you  
If you're alone in your room, what's that boy doing?

Head, cars, bending  
Head, cars, bending  
Head, cars, bending  
Head, cars, bending
