Burning Love

The 69 Eyes

Lord Almighty, I feel my temperature rising Higher higher it's burning through to my soul Girl, girl, girl you gonna set me on fire My brain is flaming I don't know which way to go

Your kisses lift me higher Like the sweet song of a choir You light my morning sky With burning love

I feel my temperature rising
Help me, I'm flaming I must be a hundred and nine
Burning, burning, burning and nothing can cool me
I just might turn into smoke but I feel fine

Coz your kisses lift me higher Like the sweet song of a choir You light my morning sky With burning love

It's coming closer the flames are reaching my body Won't you help me I feel like I'm slipping away
