Lost Boys

The 69 Eyes

Morning light hurts your eyes But it's another thing Nothing really matters Behind the shades of blue

Blind boys never lie But that's another thing Nothing really matters Behind the shades of blue

'Cause in the end You're just reborn again

You wanna rock Nothing's gonna make you stop And nothing's gonna break you up Everybody knows you're lost in the night time honey Lost boys

We are dead until dark But that's another thing Nothing really matters Behind the shades of blue

You say

You wanna live like I do But that's another thing Nothing really matters Behind the shades of blue

'Cause in the end We're just reborn again

You wanna rock Nothing's gonna make you stop And nothing's gonna break you up Everybody knows you're lost in the night time honey Lost boys
