Hey, hey babe, where did you disappear? Hey, hey babe, where did you go from here? Did you hear it calling your name? Did you feel it burning in your veins? Hey, hey baby, where did you go with the rain? I saw a storm in her eyes A thousand lives And she danced on, danced on like on fire Wings and hearts Two sides of evil That's what you are Devil's wings and angel heart Voodoo got you You got the voodoo Wings and hearts Two sides of evil That's what you are Devil's wings and angel heart Voodoo got you You got the voodoo Hey, hey babe, why did you disappear? Hey, hey babe, why did you come back here? Did you hear me calling your name? Did you feel me burning in your veins? Hey, hey baby, why did you go with the rain? I saw a storm in her eyes A thousand lives And she danced on, danced on like on fire Wings and hearts Two sides of evil That's what you are Devil's wings and angel heart Voodoo got you You got the voodoo Wings and hearts Two sides of evil That's what you are Devil's wings and angel heart Voodoo got you You got the voodoo
