Well I can't afford to bleed my blood is purest speed born from a restless seed on the gypsy road that's me well your chan ce is fifty

and four to ralize my score nothin' to tie my down I'm cheaper than a drug hound well I don't need you nor more

I just can't wait to say to you goodbye today well

I can't tell you thousand lies the difference is in the eyes this life is built on sin it's deeper than the shit we're in we ll

I don't need you anymore I just can't wait to say to you goodby e

today no way you ain't the reason to stay
