

These City Streets Ain't Paved With Gold  
No Silver In Those Clouds I'm Told  
The Road To Fortune And To Fame  
It Has No Number And It Has No Name  
What You Doing With Your Life Is Your Philosophy  
What's It Gonna Be  
It's A Trip That Has No End  
Gonna Take It Again And Again And Again And Again  
Do You Know Your Final Destination  
Or Are You Riding From Station To Station  
What You Doing With Your Life What You Gonna See  
What's It Gonna Be  
What Your Doing With Your Life, Your So Much Like Me  
What's It Gonna Be  
What Ya Doing What Ya Doing What You Wanna Say  
It's A Heavy Scene. Know What I Mean  
What Your Doing With Your Life, Is This Your Lucky Day  
What's It Gonna Be, Its A Heavy Scene, Know What I Mean.
