

I Love You But Don't Come Near Me

The Adicts

Yea Yea Yea, No No No,
I Love You But Don't Come Near Me
So Much To Give, So Much To Take
I've Got A Heart Of Gold, How Could It Break
Yea Yea Yea, No No No,
I Love You But Don't Come Near Me
When Your Around You Bring Me Down
It's A Crying Shame, Your To Blame
Yea Yea Yea, No No No,
I Love You But Don't Come Near Me
It Used To Be So Good
Our Rhythm Was So Sweet
It Used To Be So Good
Oh Yeh It's Such A Vicious Beat
I Love You So, Got To Let You Go
It's A Crying Shame, Your To Blame
Yea Yea Yea, No No No,
I Love You But Don't Come Near Me
