

I got a girl she likes classical  
She likes Beethoven and don't we all  
I've tried to tell her to teach her  
to turn her on to Rossini

Rossini  
With a bang and a boom  
and catchy little tune by Rossini

We're music lovers well that's what they say  
But we're different in many ways

Rossini  
With a bang and a boom  
and catchy little tune by Rossini

Now there's Nigel, he likes classical  
He plays the fiddle and don't we all  
I've tried to tell him to teach him  
to turn him on to Rossini

Rossini  
With a bang and a boom  
and catchy little tune by Rossini...
