

## Sensitive

## The Adicts

If I phone you up,  
And you feeling down.  
And nothing's going right tonight,  
Your sinking in the ground.

Your so sensitive sensitive sensitive sensitive.  
Your so sensitive sensitive sensitive sensitive.

If I say some thing wrong,  
You might start to cry  
I don't wanna get you down,  
Don't want you to cry.

Your so sensitive sensitive sensitive sensitive.  
Your so sensitive sensitive sensitive sensitive.

If I phone you up,  
And you feeling down.  
And nothing's going right tonight,  
Your sinking in the ground.

Your so sensitive sensitive sensitive sensitive.  
Your so sensitive sensitive sensitive sensitive.
