Him and her
Life is turned.
The day I knew you would leave
I can barely breath
Can you hear me scream

O-o-o thrown in all directions Yoooou epitome of perfection She's lost her will, (She's lost her will) time is standing still

He walks, her, home Now he walks a-lone The days they turn into years The eyes they drown in tears

Can you hear me scream

O-o-o thrown in all directions Yoooou epitome of perfection She's lost her will, (She's lost her will) time is standing still

The way we are the way we were (It's just a shadow of what's wrong)
The time with you the time is stirred (I love you for , so long)
The hearts they turn, they turn away (she says to go please don't you cry)
Love lost was found, night turns to day

O-o-o thrown in all directions Yoooou epitome of perfection She's lost her will, (She's lost her will) time is standing still

O-o-o thrown in all directions Yoooou epitome of perfection She's lost her will, (She's lost her will) time is standing still

yoooooooou yooooooooou

Time is standing still
