

# She Said Yeah

The Animals

Well, dom, diddl-e-dom-dom  
Little girl where did you come from  
Driving my boy crazy  
Come on baby I don't mean maybe

Said 'yeah'  
She said 'yeah'  
She said 'yeah, yeah, yeah, yeah'  
Come on baby, I want to make love to you

Nobody but you  
You know I will buy you a diamond ring  
I'll buy most anything  
I love you, no one above you

Come on honey  
Let me love to you  
Said 'yeah'  
She said 'yeah'

Said 'yeah, yeah, yeah, yeah'  
Come on baby I want to make love to you  
Nobody but you  
She said 'yeah!'

You know I will buy you a diamond ring  
I'll buy most anything  
I love you  
No one above you

Come on honey  
Just let me love you  
Said 'yeah'  
She said 'yeah'

She said 'yeah, yeah, yeah, yeah'  
Come on baby I want to wrap my arm around you  
That's what I said baby  
You know I'll buy you a diamond ring

Buy you most anything  
I love you, no one above you  
Come on, Come on let me love you  
Said 'yeah'

She said 'yeah'  
She said 'yeah, yeah, yeah, yeah'  
Well, dom, diddl-e-dom-dom  
Little girl where did you come from

Driving my boy crazy  
Come on baby I don't mean maybe  
Said 'yeah'  
She said 'yeah'

She said 'yeah, yeah, yeah, yeah'  
Come on baby, I want to make love to you

Nobody but you
