

## Be What You Want

### The Answer

Soothin' all you young people, lets keep reminding  
Let me remind you  
Preachin' for what to believe in, you've got to believe  
You have to believe

You've got to be just what you want  
You've got to be what you want  
Why can't we be just what we want  
You've got to be what you want  
I know what I've been told  
I know what I've been sold  
I know, I know, Oh Yeah

Hard times too much confusion  
Gotta find some conclusion, this world of confusion  
A long lost line of defences I'll blow them  
Away, Yep I'll blow them away

You say you've been what you want sweet lady  
I have got to know now, I have got to know now  
You say you've been what you want,  
Well I gotta know

Free the people  
Be the people
