

Never Too Late

The Answer

I have been searching for 10,000 years
Well I keep on learning yeh, learning how to ease my fears
CoNever too radictions clearly state, I'm never gonna find you before its too late
But who can predict a poor man's fate
I'm gonna keep movin on before its too late

Never Too Late
Never too know
Never too late
Never too

Never too late
Never too late

Never too late
Never too late
Listen

Talk to me brother
Show me how to see
Well I have found another man willing to believe like me
Fascinations all around, gotta keep my feet down here on the ground
Can you hear the higher sound
You follow on before its too late

Never too late
Never too Low
Never too late
Never too

Never too late
Never too late

Never too late
Never too late

Never too late
Never too late x3
Oh yeah
Oh

I gotta know gotta know
Yes I do
Coz I have met my maker
Oh oh you know
Yes I have yes I have
Coz I have met my maker
Oh

I have met my maker
Yeah
I have met my maker
