Stranded out in the night Eliza took me down To see the widow give Rain to the town

It's against the law
To be a tonic man
But the widow knows
She's got the upper hand

So I went on in Feelin' kinda wheezy You know she soothes my mind, boys She rocked me kinda slow and easy All day and all night

Pick a card before you go
It's a long trip to Mexico
Eliza waiting by the door
I can't stay here anymore, no, no, no

Then she took a pill
She washed her feet in the mud
She said, "Look out son
You know, I just ordered a flood
For forty days and forty nights"

Then I dropped my shoes Eliza called my name She said it looked to her Like it's gonna rain

Then the cotton king
He came in chokin'
And the widow laughed and said
"I ain't jokin'"

"Take once for all"

She said, "Now don't you tease me

I just fell in love, boy

So rock me kinda slow and rock me kinda easy"

Sweet William said
With a drunken head
"If I had a boat
I'd help y'all float"

Eliza stood there watching William in a trance
As the widow ...
The St.Vitus dance

But just then an old man

With a boat named, 'Breezy'

Said, "You can ride with Clyde, boys

If you rock it kinda slow and rock it kinda easy

Alicenday wando all night"
