

# She's Gonna B. Late

## The Basics

She's gonna be late  
She's gonna be late  
She's gonna be late

I got a call from your girlfriend  
She told me to tell you  
She's coming to the party tonight

She did try to call you  
And just couldn't get through  
But she can't get you out of her mind

She's gonna be late  
And she said that she is sorry  
She's gonna be late  
And I don't think you should worry

She's gonna be late  
She's gonna be late  
She's gonna be late

There's so much to do to prepare for a party  
And all in the name of fun

She had to go get a hairdo  
Some clothes and some new shoes  
Organise a lift with her Mum

She's gonna be late  
And she said that she is sorry  
She's gonna be late  
And I don't think you should worry

She's gonna be late  
She's gonna be late  
She's gonna be late

She thinks that she loves you  
And just wants to be sure  
But don't you tell her what you just heard

'Cause these days it's hard  
When there's so many messages  
And love is such a dangerous word

She's gonna be late  
And she said that she is sorry  
She's gonna be late  
And I don't think you should worry

She's gonna be late  
She's gonna be late  
She's gonna be late
