

## Preparedness

### The Bird and the Bee

Do you know who I am  
I'm alive you understand, the life, the life, the life  
Check your head I heard a sound  
Make certain no ones around  
The sound, the sound, the sound

Do you know where your from  
Turn around your crumbs are gone around, around, around  
Are you lost, are you not there, are you shut down  
Are you prepared, shut down, shut down, shut down

Are you prepared for the atom bomb, are you prepared for my aching arms  
Are you prepared, are you prepared  
Are you prepared for serenity, are you prepared to disagree  
Are you prepared, are you prepared for me

Do you know who I am  
I'm alive you understand, the life, the life, the life
