Walk Believer Walk

The Black Crowes

Go down go down you stranger there's something waiting for you Angels, dolls and honey Temples and harpoons You want your main line jesus Your want your diamond You want to pull the trigger And kill the autumn home

So walk believer walk Straight into the sun Walk believer walk Your word ain't ever done

Pray on pray on my brother Nows the time for due Black shadow come a creeping Take the soul right out of you Can you feel the demons puling Can you hear the devils sing Can you taste the poison in your mouth Feel the weight of his chains

So walk believer walk Straight into the sun Walk believer walk Your word ain't ever done

ааа а а ааа ааа ааа а а а оо о о аа

So walk believer walk Straight into the sun Walk believer walk Your word aint ever done
