

Bluewater Blackheart

The Black Heart Procession

I fell like
A dove into
The desert
Barely breathing
My tears built an ocean
I was out on a levee
I was out on the jetty
When I lost myself
Into the water x3

They came at night
And said to me
'To rest is
Forbidden
You must move or drown away'
I was out on a levee
I was out on the jetty
When I lost myself
Into the water x3

I'll be alive - I'll squeeze through the light

I fell like
A dove into
The desert
Barely breathing
My tears filled an ocean
I was out on a levee
I was out on the jetty
When I lost myself
Into the water x7
