

Everlasting Light

The Black Keys

Let me be your everlasting light
The sun when there is none
Im a Shepard for you
And Ill guide you through
Let me be your everlasting light

Let me be your everlasting light
Ill hold and never scold
In me you can confide
When no ones by your side
Let me be your everlasting light

Oh baby, cant you see?
Im shining just for you
Loneliness is over
Dark days are through
Theyre through

Let me be your everlasting light
A train going away from pain
Love is the coal
That makes this train roll
Let me be your everlasting light

Let me be your everlasting light

Let me be your everlasting light

Be your everlasting light
