

# Lies

The Black Keys

You said the moon was ours  
Yeah, you said the moon was ours  
To hell with the day  
The sunlight is only gonna take love away  
Raise up suspicions and...and alibis  
But I can see through tear-blinded eyes

Lies, lies, lies  
Oh, lies  
Da da da da da  
Oh~oh~oh

I got a stone where my heart should be  
I got a stone where my heart should be  
And nothin' I do will make you love me  
I'll leave this town break all my ties  
There'd be no more use for any disguise

Lies, lies, lies  
Oh, lies  
Da da ahh~ahh~ahh  
Oh~oh~oh

I wanna die without pain, yeah  
I wanna die, oh, without pain  
All this deception I just can't maintain  
The sun, moon, stars in the sky  
It'd hurt me too bad if you said goodbye

Lies, lies, lies  
Oh~ooh-ooh, lies  
Da da da da da  
Oh~oh~oh
