

## The BMX Song

**The Bouncing Souls**

If i had money i'd buy a new BMX it's a long walk through the city in the rain it's along walk from train to train. We'll build a ramp and do some tricks and try to impress some chicks then we'll put on some really dark shades and run over all the dorks with rollerblades... crossups, tabletops, endos, curb endos, timmy judge! get rad! if i had money i'd buy a new BMX.
