

# I Shall Be Released

The Box Tops

They say everything can be replaced  
Yet every distance is not near  
So I remember every face  
Of every man who put me here

I see my light come shining  
From the west down to the east  
Any day now, any day now  
I shall be released

They say every man needs protection  
They say every man must fall  
Yet I swear I see my reflection  
Some place so high above this wall

Standing next to me in this lonely crowd  
Is a man who swears he's not to blame  
All day long I hear him shout so loud  
Crying out that he was framed

Any day now, any day now  
I shall be released
