

## We Have This Place Surrounded

### The Boxer Rebellion

Bitten more than you should chew  
When we're all done  
They'll be nothing left of you

You slow in from the start  
We have this place surrounded  
We'll tear you apart

You wanted  
You wanted love  
You wanted  
You wanted love

You doubting what i see  
For a fraud  
Is all you are to me

And you constent in my aim  
We have this place surrounded  
We'll make you act the same

You wanted  
You wanted love  
You wanted  
You wanted love

And it's so hard  
It's so hard  
It's so hard  
It's so hard

And you don't know what i've been through  
You come in from all sides  
No you don't know what i've been through  
You come in from all sides

You wanted  
You wanted love  
You wanted  
You wanted love

And it's so hard  
It's so hard
