I see a man in a white car Move like a ghost on the skyline Take all your dreams And you throw them away Man in a white car.

I see a woman in a black bra Searching for cheese in a pie shop Take all your screams And you show them everyday Woman in a black bra.

The man in the white car
Slides along like a warm Spongmonkey
Slurps up all the creams
And to prove he's not gay
The Man shags the woman in a black bra

I knew a woman from Amsterdam She was a very stupid Dutch Bitch She had lobsters up the arse She was a Dutch Bitch It's all so fannytastic.

I like to sing rude songs About your rancid Anal Pongs Your arse sings all day About people who are gay So rude and crude

La-la-la Labia
Flapping in the wind
Singing filthy words all day
This made up song
Really should be binned

Wanking and spanking with a furry hat Looking at photos of A big fluffy cat What a load of bollocks!
